

Slender

the departure

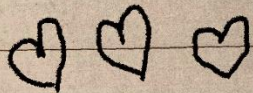

Dear Diary,

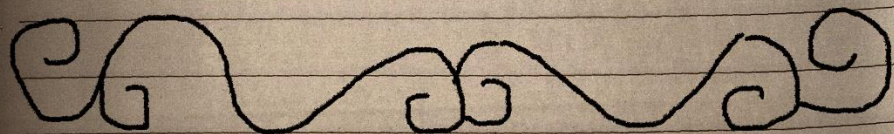

My teacher told me I should start trying to write down my thoughts, so here I go!
...um, how do you even start these things?
I guess I'll introduce myself...

Hello, Diary! My name is Lauren.
I'm 17 years old. My favourite colour is yellow.
My best friend is named Kate.
We've known each other since we were both, like, 5. She is pretty rad :)
I like listening to music, going for walks...um...
This is kind of lame.

I guess I'll sign off for now.
Goodbye, diary!

Dear diary,

I am going over to Kate's house today! Her parents are selling her house and she wants help packing her room while they are out. Her recent letters have been a bit weird. She can be such a prankster sometimes. I'm sure I'll have a lot to tell you when I'm back, but I'm signing off for now!

Dear diary,

YIKES

I'm at Kate's house, but it's... all dark? Did she run out to the store to get snacks, or something? I've tried calling her, but she's not picking up... I guess I'll just sit in my car and wait for her to get home...
Signing off, from my car :)

xxx Lauren

Dear diary, 

I've been waiting for like 20 minutes. *grr...*
Kate still hasn't picked up her phone.

It's getting pretty cold in my car and
I don't feel like burning all my gas, so I'm
going to go wait in her house. I think I
know where they hide the spare key...

Wish me luck, diary! I'm signing off.

xxx Lauren

p.s. I found this sticker
in my car...

Weird, huh?

Dear diary,

This is... weird.

I think Kate might be pranking me!

Turns out, the front door was completely
unlocked. In fact, EVERY door was unlocked.
The inside of her house is really... messed
up. It looks like a bomb went off in here.

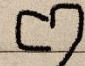

If this IS a prank...

{WOW} you sure are committed, Kate.

Your parents aren't going to be too happy
when they see the house like this.

I hope I don't have to help clean this up...

Where in the world ARE you, Kate?

xxx Lauren 

I can't find Kate.

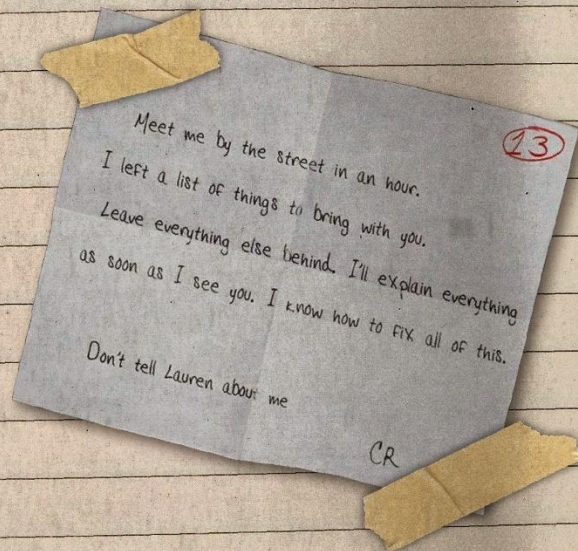

I went to her bedroom. There were crazy drawings all over her walls, similar to some of the letters she sent me.

But they were painted with... red paint? I think it was red paint.

I'm starting to feel like this is more than just a prank.

Dear diary,

There was a scream outside... I ran out to check but all I found was this strange note lying on the ground outside the forest...

What does this mean? ...Who is CR?

I think... I'm going to go into the woods. That scream REALLY sounded like Kate...

xxx Lauren

This forest feels like a maze...

I'm... pretty scared, diary. I really hope my flashlight doesn't lose power, or I won't even have you to "talk" to... I think I might freak out for real if that happens.

I have found 8 different notes but none of them make any sense.

I still haven't found Kate...

~~Someone help me...~~

I keep hearing noises.

what does this mean?

I think I hear something
